

# Residential Curbside Trash and Recycling Services

## Allied Waste Appreciates the Opportunity to Service Your Community

As a Town of Buckeye resident, you will receive residential curbside service two times per week. One time per week for trash and one time per week for recycling services. Your scheduled service days are determined by your service area. Please see the Area Map to determine your scheduled days. Please place containers on the street the night prior to collection or by 5:30 a.m. on your assigned collection day. For safe and efficient service, please place the container in the street with the wheels touching the curb.

## Curbside Trash and Recycling Service Schedule:

Two days of service per house per week are detailed in the Area Map below. Please "bag & tie" all garbage, grass, yard trimmings and pet excrement before placing them in the trash container. It's more than a good idea, it's the law!

Blue barrel = recyclables

Tan barrel = trash
